Round 3-4: Slide the stitches to the right side of the needle, and knit across.

Round 5: K2tog twice. (2 stitches total)

Round 6: K2tog. (1 stitch total)

Break yarn, leaving a tail. Pull on the top of the stitch so that the tail comes out the K2tog.

FINISHING

Using the 12" blue tail that's above the ribbing, sew the slit using mattress stitch to create an invisible seam.

Weave in all ends. Steam the hat, except for the ribbing.
